

MAUDE

MAUDE PINOT GRIS 2006

region	Central Otago, New Zealand
sub-regions	100% Lowburn, Central Otago, New Zealand
vintage	2006

t a s t i n g n o t e

colour	Pale gold with hints of green
nose	Green pears, rosebud, straw and spice aromas.
palate	Bone dry with typical Pinot Gris flavours of honeysuckle, poached pears and citrus with a long appley acidity to balance the flavours which evolve on the palate with every mouthful.

general	Hand harvested from an individual vineyard site in Lowburn, in the Cromwell basin of Central Otago. The 2006 vintage was one of the most outstanding Central Otago has seen and has resulted in this classic dry Pinot Gris with an amazing intensity of flavour.
---------	---

Our 2006 Pinot Gris was fermented in 2 & 3 year old oak
barriques, allowing the palate to round and soften but still
maintain the purity of aromas.

A wine we expect to age gracefully over the next 7 years,
developing warmth, richness and complexity from time in bottle.
Although a pleasure to drink whilst young, fresh and vibrant.
